

Student Name \_\_\_\_\_ Belt Testing For \_\_\_\_\_

Dear Teacher, **INTENT TO PROMOTE**

I am a Personal Achievement Speaker and the owner of Active Martial Arts. We have a student in common, as well as some similar goals. I want my students to achieve their very best, not just in Martial Arts, but also in their everyday lives. It is important to me that they develop the skills to be productive, successful individuals. An integral part of our Martial Arts program is to teach students the importance of focus, respect and self-discipline. All of these are essential elements for student's growth. Before every Belt Testing of my students, I will seek the opinions of their parents and teachers. This means that every time a student is approaching his/her next belt test, you will receive an "Intent to Promote" letter. This letter will be your opportunity to describe any difficulties our student may be having. We hold a student's promotion until parents, teachers and I see the student's progress warrants such a reward. If you have something positive to share, your feedback would be invaluable and appreciated.

Our Tenets – Courtesy, Integrity, Perseverance, Self-Control, Courage, Honor and Community along with our "Life Skills" – Discipline, Belief, Communication, Respect, Self Esteem and Honesty – are the foundation of all our classes. We encourage our students to live by these and strive to meet goals they have set for themselves. Active Martial Arts students have the opportunity to earn 1, 2 or 3 stars on their belt by demonstrating their knowledge of the Tenets and Life Skills in the academic classroom. While completing the section below, please remember that a student's academic effort is based on how hard they try to succeed rather than the actual grades they receive.

Please sign below and return this letter to our student. I look forward to working with you and hope that together, we can help our students have a productive and rewarding year. Please call me at (206)399-0543 if you have any questions or if I can be of any assistance. Thank you fo your time and attention.

Respectfully,

Jeff Kyle

Please choose one of the following:

- Does not use Martial Arts at school
- Gives best effort and is always trying to improve
- Turns in homework, complete and on time
- Shows respect to teachers and classmates

- Satisfactory Academic Effort
- Good Academic Effort
- Excellent Academic Effort

Teacher's Signature \_\_\_\_\_ Date \_\_\_\_\_
